TENDER NO. 51403

This notice (the "**Notice**") is being furnished to you in accordance with the provisions of Sections 9.1.2 and 11.3 of the Instructions to Bidders.

For the removal of doubt, unless otherwise explicitly stated herein, the Tender Documents remain unchanged and fully binding. It is hereby further clarified that throughout the Tender Process, ISR shall only be bound by the information submitted by it in writing, and no oral or other non-written response or information will bind ISR for any and all purposes.

Capitalized words and terms used herein and not otherwise defined shall have the same meaning ascribed to them in the Tender Documents.

List of Enclosures

In the interest of time, the following documents are provided to Participants together with this Notice:

- (i) **The Maintenance Depot Contract and all attachments thereto (in Hebrew).**
- (ii) **Attachment I8 to the Instructions to Bidders ('Maintenance Depot').**
- (iii) **Revised Payment Schedule** (marked-up version). [*Note: This marked up version of the Payment Schedule is provided to Participants for their convenience only. ISR does not guarantee that all revisions are indeed marked in the marked up version. Such revised version supersedes the previous version first published.*]

However, Participants should note that such documents are still under final review and may be subject to certain changes in additional Notices to be issued by ISR.

In addition, ISR will publish, in a further Notice, Tender Documents amended with respect to the Maintenance Depot (and for example, the Guarantees clause in the Agreement will be amended to include Guarantees relating to the Maintenance Depot, as stated in the Maintenance Depot Contract).

Yours Faithfully,
