Response to certain request regarding the Instructions to Bidders

Question/Request: Reference is made to Section 3.1.2 of the Instructions to Bidders. ISR was requested to authorize, for the purpose of proving compliance with the Financial Prerequisites, the submission of financial data based on financial statements which were prepared in accordance with certain accounting principles not specified in Section 3.1.2.

Answer: ISR hereby approves the submission of financial data based on financial statements which were prepared in accordance with French GAAP.

Bidders requesting to submit financial data based on financial statements which were prepared in accordance with any of the accounting principles approved in the Notices to Participants shall mark the last alternative in Section 2 of Attachment C1 (or D1, as applicable) of the Instructions to Bidders, and add at the end of such alternative the name of the applicable accounting principles approved by ISR in this Tender.

Bidders are not required to submit their Financial Statements together with their Bid, however ISR may request from any or all Bidders to submit such Financial Statements at any time during the Tender process.

Yours Faithfully,
