Purchasers of Tender Documents ("**Participants**")
Tender No. 51403 (Supply and Maintenance of Double Deck Electric Multiple Units)

Re: **NOTICE # 4 TO PARTICIPANTS**

TENDER NO. 51403

This notice (the "**Notice**") is being furnished to you in accordance with the provisions of Section 11.2.4 of the Instructions to Bidders.

For the removal of doubt, unless otherwise explicitly stated herein, the Tender Documents remain unchanged and fully binding. It is hereby further clarified that throughout the Tender Process, ISR shall only be bound by the information submitted by it in writing, and no oral or other non-written response or information will bind ISR for any and all purposes.

Capitalized words and terms used herein and not otherwise defined shall have the same meaning ascribed to them in the Tender Documents.

Clarification

Following Notice #3 and the publication of the binding Hebrew version of the Maintenance Depot Contract, it is currently expected that ISR will prepare a non-binding translation of the Maintenance Depot Contract. *However*, a certain time may be required until publication of such translation.

Moreover, ISR will not give any representation or warranty regarding such translation, and as stated in Section 3.6 of the Agreement, the binding version of the Maintenance Depot Contract shall be the Hebrew version.

Accordingly, to the extent that Participants need a translation of the Maintenance Depot Contract or any part thereof, such translation shall be prepared by Participants, for their own convenience only, and shall not be binding on ISR for any purpose whatsoever.

Yours Faithfully,

Sophia Katsely
