24.1.2 The Subcontractor has read the terms and the conditions of this Agreement and confirms, and warrants that the terms and the conditions of this Agreement, including its Annexes are reasonable and agreeable to it. Furthermore, the Subcontractor shall abide by all applicable obligations under this Agreement which are required by it for the fulfillment of this Agreement, such as, but not limited to, obligations with regards to the Declarations and Representations, General Obligations, Intellectual Property, Spare Parts, Warranty Period, Risks and Liabilities, Delivery Terms, Termination, etc.

24.1.3 In the event that the Subcontractor shall fail to comply with this Agreement, ISR shall have the right to rescind its approval (with respect to the Subcontractor) and/or or to instruct the Supplier to perform the relevant Works by itself or through another approved Subcontractor, whereupon the Supplier

24.1.4 The approval, non-rejection, recommendation, instructions, directives or determinations made by ISR with regard to the employment of, and/or to the placement of orders for components and/or equipment with the Subcontractors, shall not relieve the Supplier of its responsibility to ISR in connection with the execution of the Works, the supply of the TTS and the fulfillment of the obligations under this Agreement or from any liability assumed by or imposed upon the Supplier under this Agreement and under Applicable Law, nor shall it impose any liability or responsibility upon ISR in connection with the Subcontractor, including but without limitation for any acts and omissions done and/or works executed by Subcontractors, and the Supplier shall be fully responsible towards ISR for the acts and omissions of the Subcontractors.

24.1.5 The agreement entered into between the Supplier and the Subcontractors which relates to the performance of the Supplier's obligations under this Agreement shall include all of the following provisions:

24.1.5.2 Subcontractor shall have no legal recourse against ISR in any matter arising out of or connected with the Works. Without derogating from the generality of the above, Subcontractor shall waive any Retention Right against Supplier and ISR, and will confirm that the payments to be made by Supplier to Subcontractors contain ample financial provisions concerning such waiver by Subcontractor of all Retention Rights.

24.1.5.3 Subcontractors shall abide by any order of ISR regarding the removal of any specific employee, at ISR's sole discretion.

24.1.5.4 Subcontractor shall agree to any purchases of Spare Parts and/or services by ISR directly from Subcontractor or its subcontractors or suppliers.

25. FORCE MAJEURE

interference or embargoes, strikes, labor difficulties or transportation delays of the TTS (collectively, "**Force Majeure**").

25.2 A Party affected by an event of Force Majeure shall (a) promptly notify the other Party in writing of any such event, the expected duration thereof, and its anticipated effect on the Party affected in terms of the performance required hereunder; and (b) make reasonable efforts to promptly remedy any such event of Force Majeure. Any supply delayed due to an event of Force Majeure shall be extended for such time as the event shall continue.

27.3 Any dispute in connection with this Agreement including its validity or interpretation shall be settled between the Parties. This also applies to other legal matters arising out of or in connection with this Agreement. The negotiations shall be conducted by at least two persons chosen by each Party for this purpose. The timeframe for the settlements of disputes between the Parties shall not exceed a period of three (3) months.

27.4 All matters in dispute, following failure of negotiations as outlined above, shall be referred to the competent court located in Tel Aviv, Israel, and the competent Israeli courts shall have exclusive jurisdiction in all matters arising therefrom unless otherwise mutually and expressly agreed, in writing, by the Parties.

27.5 Dispute not Affecting Delivery. The Supplier agrees and undertakes that no Dispute shall entitle the Supplier to delay or withhold (i) the continuation of the Works so as to meet the Delivery Schedule or any other schedules agreed between the Parties, and/or (ii) the performance of the Warranty, subject to ISR paying to the Supplier any undisputed amounts, and the Dispute shall be resolved pursuant to the Dispute resolution process specified in Section 27.3 above.

28. MISCELLANEOUS

28.1 Waiver of Lien by the Supplier. The Supplier hereby waives from the moment of Acceptance any possessory lien, mechanic's lien or similar possessory or retention right (in Hebrew: "זכות עיכובין") and preservation of ownership (in Hebrew: "שימור בעלות") (collectively, "**Retention Rights**") against ISR with regard to the TTS, including, but not limited to, the items of the TTS that are in the possession of the Supplier in the Supplier's

28.2 ISR's Set-Off Right. Without derogating from any right of set-off conferred upon ISR elsewhere in this Agreement or under Applicable Law, ISR shall have the right to set-off against any amounts that may be owed to the Supplier (or to any Subcontractor, as the case may be) pursuant to this Agreement and/or to any other agreement between ISR and the Supplier, any amount, debt or payment owed by the Supplier (or by any Subcontractor) to ISR pursuant to this Agreement (including but without limitation in the form of indemnification or compensation for damages, regardless if their sum is liquidated or not).

28.3 Exercise or Non-Exercise of Rights by the Parties. Consent by a Party to deviate from any of the provisions of this Agreement in a particular case shall not constitute a precedent, and no inference by analogy shall be drawn from it in respect of any other case. If a Party does not exercise any of the rights conferred upon it by this Agreement or any Guarantee arising hereunder in a particular instance, such fact shall not be regarded as a waiver of those rights in any other instance and shall not be considered as implying or indicating a waiver of any right under this Agreement.

28.4 Entire Agreement; Amendments. This Agreement constitutes the entire agreement between the Parties concerning the subject matter hereof, superseding all prior and contemporaneous drafts (including drafts of the agreement that formed part of the Tender), proposals, negotiations, communications, documents, understandings and agreements, written or oral, with respect to the subject matter of this Agreement, unless specifically incorporated herein by reference. Any such superseded documents shall not be used in any manner for the interpretation of this Agreement and shall not constitute admissible evidence in any proceedings between the Parties. This Agreement may only be amended by a written document signed by both Parties.

28.5 No Third Party Beneficiaries. All rights and obligations of the Parties hereunder are personal to them. This Agreement is not intended to benefit, nor shall it be deemed to give rise to, any rights to any third party (including, without limitation any Subcontractor).

28.6 Assignment. This Agreement, including the rights and obligations herein, may not be transferred by the Supplier to any third Party without receiving ISR's prior written consent, which shall not be unreasonably withheld. ISR may at any time, upon its absolute discretion, assign and/or transfer any and/or all of its rights and/or obligations under this Agreement to the State of Israel and/or any other entity controlled and/or affiliated to the State of Israel ("**State of Israel**") by providing written notice to Supplier ("**Notice of Assignment**"). Upon receipt of Notice of Assignment by the Supplier, the assignment and/or the transfer shall be binding and the Supplier may not object such assignment and/or transfer and shall fulfill any and all obligations resulting from such assignment and/or the transfer as directed by ISR and/or the State of Israel. Without derogating from the above, the State of Israel may reassign and/or retransfer, upon its absolute discretion and at any time, all of its rights and obligations back to ISR by

providing written notice to the Supplier and such reassign and/or retransfer shall be binding and the Supplier may not object such reassignment and/or the retransfer and shall fulfill all obligations resulting from such reassignment and/or the retransfer as directed by ISR and/or the State of Israel. The Supplier hereby waives any and all claims and/or demand against ISR and/or State of Israel resulting from the implementation of this Section by ISR and/or the State of Israel.

28.7 Severability. If any provision of this Agreement is held or made invalid or unenforceable for any reason, such invalidity or unenforceability shall not affect the remainder of this Agreement, and the invalid or unenforceable provisions shall be replaced by a mutually acceptable provision, which, being valid, legal and enforceable, comes closest to the original intentions of the Parties hereto and has like economic effect.

28.8 Notices. All notices, unless otherwise expressly provided in this Agreement, shall be in writing and shall be sent by either of the Parties to the other Party by registered mail or personal delivery to the addresses set forth at the head of this Agreement, and shall be deemed to have been given seven (7) Business Days after the date on which the notice was posted, or in the case of notice by fax, twenty four (24) hours after dispatch by fax, or in the case of personal delivery, at the time of delivery.
