5. **SUPPLIER'S REPRESENTATIONS AND WARRANTIES**

Supplier hereby represents and warrants to ISR as follows:

- 5.1. **Corporate Power and Authority.** Supplier has all necessary corporate power and authority to execute and deliver this Agreement, to perform its undertakings and obligations detailed hereunder and to consummate the transactions contemplated hereby. The Supplier has taken all necessary corporate actions to execute and deliver this Agreement including with respect to the performance of the Works and the consummation of the transactions contemplated hereby which require no further authorization or other corporate proceedings on the part of Supplier. This Agreement has been duly and validly executed and delivered by Supplier and constitutes a valid, legal and binding obligation of the Supplier, enforceable against the Supplier in accordance with its terms.
- 5.2. **No Conflict.** No actual or potential conflict of interest or unfair competitive advantage exists with respect to Supplier's acting hereunder, and Supplier shall not engage in any contractual relationship that may cause such conflict of interest or unfair competitive advantage to exist.
- 5.3. **No Litigation or Impediment.** There is no (i) litigation that is currently in effect or threatened, against Supplier, which would challenge the authority of Supplier to enter into this Agreement or to carry out its undertakings and obligations detailed hereunder, or (ii) impediment, whether legal or stemming from a prior or simultaneous commitment made by Supplier, or any other impediment of whatever nature, which might prevent Supplier from entering into this Agreement or hinder the performance of any or all of its undertakings and obligations detailed hereunder.
- 5.4. **No Undue Influence.** The Supplier and/or anyone acting on its behalf has not, directly or indirectly, made any proposal and/or actually given any benefit, funds or anything of value with the purpose of influencing the ISR's decision and/or the decision of any of its employees and/or anyone acting on its behalf, to engage with Supplier in this Agreement.
- 5.5. **Examination and Evaluation**
Supplier hereby represents and warrants to ISR that:
- 5.5.1. Supplier has examined all Tender Documents pertaining to the Tender, including the Agreement, and in particular the Technical Specifications, as well as all other documents comprising this Agreement, and is satisfied with regard to the data, specifications, terms and conditions under which the R350HT Rails shall be designed, manufactured, heat treated, checked, supplied and delivered to ISR, the execution of the Works required for the provision of the R350HT Rails as well for the fulfillment of any and all obligations under this Agreement;

- 5.5.2. Supplier has evaluated (independent of, and without relying on, any information or data provided by ISR) any and all other factors that may be deemed to affect the carrying out of its obligations under this Agreement, including but without limitation, the technical risks and environmental influences, and any other risk involved therewith, and such other conditions that may be expected to affect the progress or completion of the Works in accordance with this Agreement, and has reasonable grounds to believe and certifies that such performance is feasible and practicable under the terms and conditions stated herein;
- 5.5.3. Supplier has examined and is fully acquainted and satisfied with all of the information provided to it by ISR;
- 5.5.4. Supplier shall not be entitled to any payment or compensation of any kind whatsoever other than as explicitly set forth herein, and shall not make and be prevented from making any claim for additional payment and/or extension of time from ISR, including claims of misunderstanding or misapprehension in respect of any matter which a reasonable experienced professional supplier of R350HT Rails knew or should have known or allegation or fact that incorrect information was furnished to the Supplier by any person (subcontractors included), firm or any legal entity which it knew or should have known to be incorrect and/or failure on its part to obtain correct information with regard to the Works.
- 5.6. **Compliance with Applicable Law.**
- 5.6.1. Supplier is aware and has knowledge of all legal requirements prevailing in the State of Israel that are to be followed for the **execution of the Works. Without derogating from any provision** herein, Supplier shall abide by any Applicable Law, and shall perform and execute the Works in strict compliance therewith (including but without limitation in compliance with regulations and orders relating to the employment of its employees).
- 5.7. **Discrepancies and Omissions**
- 5.7.1. Supplier represents that wherever it becomes aware and/or should have become aware of any suspected or actual contradiction or discrepancies between the provisions of, or any omission in, any of the various documents forming this Agreement, it shall notify the ISR in writing, immediately and in any event within no more than five (5) days of becoming aware.

- 5.7.2. No inaccuracies, errors, misstatements, omissions, discrepancies, defective or incomplete descriptions, contradictions or ambiguities in or between any of the provisions of this Agreement, or any information or instructions communicated or given by ISR to Supplier from time to time, shall constitute grounds for stoppage of the Works, for relieving or releasing Supplier of any of its responsibilities, duties, obligations or liabilities pursuant to this Agreement, for cancellation or termination of this Agreement by Supplier or for withdrawal from the Works.
- 5.7.3. Should any works, matters or things required for the proper execution and completion of the Works be omitted from this Agreement by ISR, the IPM shall – upon notice from Supplier to that effect or on its own initiative – give necessary explanations and instructions and decide what works, matters or actions are to be performed by Supplier and in what manner and order of sequence. Supplier shall thereupon be bound to comply and implement such instruction. In case any such instruction with regard to an omission involves matters of price or terms of payment or timetable, such matters shall be settled by mutual agreement (prices shall be based upon the rates specified in the Consideration Annex or pursuant thereto) – without derogating from Supplier’s obligation to execute such instructions given by the IPM.
- 5.8. **Review and Approval.** The Supplier confirms and agrees that it shall apply to receive ISR’s written consent, wherever ISR’s consent, explicitly or implied, is required according to this Agreement. This requirement and the granting of ISR’s consent, shall not derogate in any way from Supplier’s responsibilities and liabilities under this Agreement, and ISR shall bear no responsibility or liability whatsoever in connection with the aforesaid.
- 5.9. **Independent Contractor.** Supplier is an independent contractor acting on its own risk and account and solely responsible for its own financial obligations, and nothing contained in this Agreement shall be construed as creating a joint venture, partnership, or principal and agent relationship between the Parties, nor will it be construed as creating any relationship whatsoever between ISR and any employees, subcontractors, representatives or agents of Supplier. Supplier will not have the authority, nor will it represent that it has the authority to assume or create any obligation, expressly or implied, on behalf of ISR.

6. GENERAL OBLIGATIONS

- 6.1. **Purchase and Sale.** Supplier hereby undertakes to execute and timely perform the Works required for the provision of the R350HT Rails, including, *inter alia*, the design, manufacture, heat treatment process, supply, delivery, unloading and Warranty in accordance with the terms and the conditions of this Agreement and the Technical Specifications.

- 6.2. **Standards.** The provision of the R350HT Rails and the execution of the Works shall be made in strict conformity with the terms and conditions of this Agreement and as specified in the Technical Specifications. Without derogating from the generality of the above, the R350HT Rails shall meet the standards set forth by ISR in this Agreement, the Technical Specifications, and in the absence of such standard, Supplier shall comply with the standards which ensure the highest quality of workmanship, material and equipment required by applicable law and/or as instructed by ISR at ISR's sole discretion. All calculations, designs, manufacturing, heat treatment process and drawings related to the R350HT Rails or any part thereof shall assure the reliability, efficiency, competency as well as the functionality of the R350HT Rails to ISR's full satisfaction.
- 6.3. **Permits.** Supplier shall, at its sole expense, obtain, maintain, comply with and keep in effect all approvals, permits and licenses required for the execution of this Agreement, the supply of the R350HT Rails, pursuant to this Agreement. Without derogating from the generality of the foregoing, the Supplier shall obtain all necessary export licenses required for the export of the R350HT Rails to Israel.
- 6.4. **Safety.** All Works shall be performed in strict compliance with ISR's safety regulations and any other applicable law pertaining to safety at work, as may be in force from time to time. Supplier shall immediately report to the IPM the occurrence of any accident in connection with the execution of the Works. Supplier shall also report any such accident to the relevant competent authority whenever such report is required.
- 6.5. **Cooperation.** Supplier undertakes to fully cooperate with ISR any other supplier and/or contractor and/or supplier engaged by and/or acting on behalf of ISR and to furnish ISR with all relevant information required for the interface between the R350HT Rails and any other equipment and/or infrastructure of ISR.
- 6.6. **Quality Management System.** Supplier hereby undertakes, warrants and confirms, and will ensure same for its subcontractors, to remain certified in accordance with ISO 9001 standard or equivalent. At any time during the term of this Agreement, the Supplier shall, if so instructed by ISR, provide evidence of such certifications. In any event, Supplier must notify ISR, in writing, in the event said certification is suspended and/or canceled and/or not continued.
- 6.7. **Documentation.** Supplier undertakes to provide ISR with all documentation specified in the Technical Specifications.

7. **SUPERVISION; ACCESS TO PLACES OF PRODUCTION; INSPECTIONS**

- 7.1. **Supervision by ISR.** ISR shall be entitled (but not obligated) to monitor and supervise the performance of the Works with regards to the provision of the R350HT Rails and Warranty, by itself or through any third party in Israel and/or abroad, and Supplier undertakes to cooperate with respect thereto including submitting all information required by ISR and/or any third party on its behalf. Such supervision, if applicable, shall not derogate from any provision of this Agreement and/or from Supplier's liability and responsibility to perform the Works in accordance with the provisions of this Agreement and to supply the R350HT Rails and fulfill all its undertakings and obligations set out herein, nor shall it impose any responsibility on ISR which is not otherwise expressly set forth in this Agreement.
- 7.2. **Places of Production.** The place of production of the R350HT Rails shall be at the Supplier's plant in [_____].
- 7.3. **Assistance by Supplier.** Without derogating from the above, Supplier shall supply any assistance and access reasonably requested by ISR's inspectors and duly authorized representatives (including all equipment necessary) in order to enable them to carry out inspection, checking, test and measurements in connection with this Agreement and provide them with any information requested. The costs of inspection by ISR in Israel and abroad will be borne by ISR.
- 7.4. **Rejection of the Works, Materials and Components.** If any of the Works, materials or components, whether completed or in process, is reasonably rejected on inspection, the same shall be marked in a manner satisfactory to the IPM, so as to ensure its subsequent identification as a rejected article. Supplier shall within seven (7) days or within such other reasonable time, pull down, take out, separate and sort out any such marked Works, materials or components so rejected. Materials or components of the Works or the entire Works rejected under this Section shall not be considered as having been delivered under this Agreement and Supplier shall, without delay, replace and deliver satisfactory materials, components or Works at Supplier's sole cost and expense. No such rejection shall give grounds to any delay or extension in the timetables set forth in the Agreement.
- 7.5. **Inspection not to Relieve Supplier's Obligations.** Inspection, examination, rejection or approval with no objections by ISR of finished or unfinished Works or of materials or components shall neither relieve nor derogate from Supplier's obligation to execute and complete the Works in strict accordance with the requirements of this Agreement.

8. **ORDER PROCEDURE**

8.1. Within four (4) months from the Effective Date, and subject to the terms and conditions set forth in the Agreement, ISR shall issue to the SPM, via email, one (1) Purchase Order for approximately two thousand (2,000) tons of R350HT Rails divided according to type and quantity as detailed in Section ~~8.28.2~~ below ("**Purchase Order**").

Field Code Changed

8.2. The R350HT Rails divided according to type to be included in the Purchase Order shall be as follows:

9. THE CONSIDERATION

- 9.1. In consideration for the successful completion of the Works, the timely supply of the R350HT Rails and the fulfillment of all of Supplier's obligations pursuant to this Agreement including, without limitation, the Warranty and all accompanying services and equipment to ISR's full satisfaction as required in accordance with the terms and conditions of this Agreement, Supplier shall be entitled to receive payment in accordance with the Consideration Annex attached hereto as **Annex B** (the "**Consideration**").

9.2. Consideration shall be the final, complete and inclusive price that shall be paid to Supplier for the design, manufacture, preservation treatment, supply, delivery, unloading and Warranty of the R350HT Rails and the execution of all the Works pursuant to this Agreement, exclusive only of VAT. Other than as set forth herein, the Supplier shall not be entitled to receive any additional payments in connection with the performance of its obligations hereunder. The Consideration is inclusive of all taxes (other than VAT), license fees, royalties, or any other costs or expenses of any kind related to the provision of the R350HT Rails and/or to the Works. ISR shall not be charged with any further payments in connection with the Supplier's execution of any of its obligations and undertakings under this Agreement.

9.3. Value added tax, to the extent applicable, shall be added to any payment made by ISR to Supplier hereunder, subject to the issuance of a tax invoice on ISR's name, in accordance with the law.

All amounts payable to the Supplier under this Agreement shall be paid in Euros (€).

9.4. For the removal of any doubt, it is hereby clarified that all taxes, fees, duties, licenses, costs or other payments that are to be paid in connection with the exportation, supply and delivery of the R350HT Rails, including but not limited to all types of importation and custom duties and services, such as transportation costs, customs agents' fees, purchase tax (in Hebrew "Mas Kniya" or "מס קניה"), wharf fees (in Hebrew "Dmei Ratzif" or "דמי רציף"), cleaning of the containers and unloading at the Site, Israeli customs duties, port handling fees (in Hebrew "Dmei Nitul" or "דמי ניטול"), port infrastructure fees (in Hebrew "Dmei Tashtit" or "דמי תשתית"), cam locks for discharging the R350HT Rails at port, supervision while discharging at port, discharging terms at port, etc. shall be considered as part of the Consideration and shall be borne solely by Supplier.

9.5. **ISR's Set-Off Right.** Without derogating from any right of set-off conferred upon ISR elsewhere in this Agreement or under applicable law, ISR shall have the right to set-off against any amounts that may be owed to Supplier pursuant to this Agreement and/or to any other Agreement between ISR and Supplier, any amount, debt or payment owed by Supplier to ISR pursuant to this Agreement (including but without limitation in the form of indemnification or compensation for damages, regardless if their sum is liquidated or not).

10. TERMS OF PAYMENT

Payment by ISR to Supplier shall be made as follows:

10.1. One Hundred Percent (100%) of the Goods Price shall be paid to Supplier within forty five (45) calendar days following the issuance of a Final Acceptance Certificate for the Goods under a Purchase Order, provided that Supplier has provided ISR at least thirty (30) calendar days prior to the payment with all the following:

10.1.1. An invoice in the amount of the Payment; and

10.1.2. The Performance and Warranty Guarantee as defined in Section ~~16.4~~ below.

Field Code Changed

10.2. Payments under this Agreement shall be made to Supplier by means of bank transfer to Supplier's bank account as specified in the form attached hereto as *Annex C*.

11. DELIVERY TERMS AND DELIVERY TIME

11.1. Delivery Terms

11.1.1. Delivery of the R350HT Rails shall be DAP at Site – the Supplier shall extend its DAP responsibilities to include the unloading of the Rails on top of ISR's flat wagons, including without derogating from the generality of the aforementioned the following:

11.1.1.1. The Supplier shall provide the equipment required for the unloading of the Rails, including, without derogating from the generality of the aforementioned, cam-locks which have successfully completed safety inspection (certificate shall be provided) for lifting 5 rails at one time (all rails with rail head up).

11.1.1.2. The Supplier shall provide the manpower required for the unloading of the R350HT Rails, and for the supervision of the unloading process;

11.1.1.3. The Supplier shall supply the R350HT Rails arranged on wooden blocks (sections 10 [cm] X 10 [cm] and length of minimum 250 [cm]). At least 30 wooden blocks for each batch of 50 rails per every shipment. All these wooden blocks shall be provided to ISR for the storage of the R350HT Rails at ISR's facilities;

11.1.1.4. The Supplier shall be responsible to supervise the unloading of the R350HT Rails until completion of the unloading;

11.1.1.5. It is hereby clarified that the Acceptance of the R350HT Rails is conditioned upon the unloading of the R350HT Rails at Site – for R350HT Rails placed on top of ISR's flat wagons, provided that the R350HT Rails are ready for full operational use by ISR.

11.1.2. The R350HT Rails shall be packed and marked as detailed in sections 4.10; 4.11 and 12 of the Technical Specifications.

11.1.3. As an integral part of the delivery of the R350HT Rails and concurrently with the supply of same, Supplier shall furnish ISR with all documents detailed under Section 11 of the Technical Specifications.

11.2. Delivery Time

After ISR has issued the Purchase Order for the R350HT Rails, the Supplier undertakes to supply the R350HT Rails to ISR within no later than four (4) months from the issuance of the Purchase Order (the "**Delivery Time**").

11.3. The Supplier shall manufacture the R350HT Rails and deliver them to the ISR's Site so as to arrive no later than the Delivery Time.

11.4. Within 10 Business Days following the successful completion of the Acceptance Checks of the R350HT Rails, ISR shall issue Supplier with the Final Acceptance Certificate, indicating the Acceptance of same, all in accordance with and subject to the provisions of the Agreement.

12. **TRANSFER OF TITLE**

12.1. The ownership and title to the R350HT Rails and any part thereof shall fully pass to ISR free and clear of all security interests, liens, attachment, encumbrances and any other rights or claims of any kind of any third party, upon the date of issuance by ISR of the applicable Final Acceptance Certificate. The passing of title to ISR and vesting of ownership rights shall be without prejudice to any right that may accrue to ISR under this Agreement.

12.2. ISR shall bear no responsibility for any Works performed or materials, components or equipment used by Supplier, including such materials, equipment or Works being stored or that have been placed at any location besides the Site and which are lost, stolen, damaged, destroyed or otherwise fail prior to Acceptance. Supplier shall be solely responsible to protect completely and preserve entirely the R350HT Rails and any related Works, components, material and equipment until the Acceptance thereof.

13. **TESTING AND ACCEPTANCE CHECKS**

13.1. Inspection Prior to shipment – Prior to the shipment of the R350HT Rails, Supplier shall be solely responsible to issue the required documentation according to Section 11 of the Technical Specifications.

- 13.2. Without derogating from the aforesaid, ISR shall, at any time, have the right to appoint its own inspector or any entity on its behalf, who shall be entitled to be present at all stages of production including, *inter alia*, all tests described in the standards set out in the Technical Specifications and to review the results of any quality assurance or conformance tests carried out by the Supplier in order to ensure that the R350HT Rails are manufactured and supplied in accordance with the Technical Specifications prior to the delivery of each order to ISR. In such event, the Supplier shall provide such inspector any assistance or cooperation needed including all the necessary documentation, notice of any change in the testing or manufacture schedules and testing equipment.
- 13.3. If any inspection or tests determine that the relevant materials, components or the R350HT Rails are defective, of inferior quality, do not fully comply with the Technical Specifications or are deficient in any other way, ISR shall be entitled to reject such materials, components or R350HT Rails in their entirety. Following such rejection of any materials, components or R350HT Rails, the Supplier shall immediately replace or repair same to ISR's satisfaction, at the Supplier's expense.
- 13.4. Upon delivery DAP of the R350HT Rails or any part thereof, to the Site, and upon completion of the Works to ISR's full satisfaction, ISR shall conduct Acceptance Checks and in the event that the results of such Acceptance Checks for the entire quantity of R350HT Rails ordered shall be successful to ISR's full satisfaction, ISR shall sign the Final Acceptance Certificate, in the form Attached hereto as **Annex D ("Final Acceptance Certificate")**.
- 13.5. Without derogating from ISR's rights under this Agreement and/or any Applicable Law, in the event that, for any reason, ISR shall not grant a Final Acceptance Certificate then, ISR may take the following measures: (1) request that Supplier repossess all of the R350HT Rails that did not pass the Acceptance Checks by ISR ("**Defective R350HT Rails**") it supplied without any additional cost to ISR and supply alternative R350HT Rails, within two (2) month from ISR's written demand, to be tested by ISR without any additional cost to ISR. (2) request that Supplier repossess all Defective R350HT Rails it supplied without any additional cost to ISR and without supplying alternative R350HT Rails (in such event ISR shall only pay for the R350HT Rails which it accepted) (3) terminate the Agreement for breach and request that Supplier repossess all of the R350HT Rails it supplied (Defective R350HT Rails and non- Defective R350HT Rails) without any additional cost to ISR and without supplying alternative R350HT Rails (in such an event ISR shall not pay for any of the R350HT Rails that were supplied).

13.6. ISR's requests as detailed above shall be final and binding upon the Supplier. Supplier shall fully and unconditionally comply with any and all request by ISR as detailed above and hereby waives any and all demands against ISR. In the event, that any of the above circumstances shall occur, Supplier shall immediately and no later than ninety-six (96) hours from ISR's demand, repay ISR for all outstanding amounts received from ISR, without derogating from any of ISR's rights under any law and/or this Agreement, to collect the Performance and Warranty Guarantee or any other right available to ISR under any law and/or this Agreement.

14. LIQUIDATED DAMAGES

14.1. Without prejudice to any other relief or remedy available to ISR under this Agreement or under law, in the event that Acceptance of the R350HT Rails is delayed beyond the specified Delivery Time, the Supplier shall pay ISR liquidated damages in the sum equal to half of a percent (0.5%) of the value of the total Purchase Order for each calendar week of delay, or any part thereof. The liquidated damages shall not exceed a total of seven and a half percent (7.5%) of the Consideration (the "**Liquidated Damages**") without prejudice to any other relief or remedy available to ISR under this Agreement.

14.2. The liquidated damages have been determined after due consideration of the damages the Parties anticipate that ISR will suffer under the specific circumstances to which each specific type of liquidated damage apply, and therefore they shall not be regarded as a penalty. Payment of the liquidated damages shall not be conditioned on ISR having to present evidence of any loss.

15. WARRANTY

15.1. The R350HT Rails shall be fully warranted by the Supplier for a period of Five (5) years from the Acceptance of the R350HT Rails by ISR (the "**Warranty Period**").

15.2. Supplier confirms and warrants to ISR that during the respective Warranty Period, the R350HT Rails and any part thereof shall be fully functional in all respects in strict accordance with the terms and the conditions of this Agreement, including the Technical Specifications, and be free of any Defect (the "**Warranty**").

- 15.3. Subjection to Section 17 hereunder, during the Warranty Period, the Supplier shall bear full responsibility and undertakes to remedy and fully compensate ISR, at its own expense for any and all damage or loss caused to ISR due to Defects in the R350HT Rails including, without limitation, Defects in design, materials, workmanship, assembly, components, faulty dismantling for sea and land conveyance and other faults whether caused by the Supplier or any of the Supplier's sub-contractors, and whether attributed to negligent production.
- 15.4. Without derogating from the above, in case any Defect is discovered in the Works within the respective Warranty Period, the Supplier shall, at his own expense and without delay, immediately rectify the ascertained Defect by repair and/or replacement, to the satisfaction of ISR, including, but not limited to, any and all Works, spare parts, special tools, equipment, costs related to transportation, dismounting and mounting, etc.
- 15.5. Without derogating from the aforesaid, the Supplier is obliged to replace at Site any defected and/or damaged R350HT Rails within no later than ninety (90) Business Days from the day of ISR's receipt of the damage report. All costs and expenses associated with the replacement of the defected and/or damaged R350HT Rails shall be borne solely by Supplier.
- 15.6. The Supplier shall do its best efforts to shorten the delivery time of the replaced R350HT Rails as detailed in Section 15.5 above.

16. PERFORMANCE AND WARRANTY GUARANTEE

- 16.1. To secure the punctual, complete and entire performance of all of Supplier's obligations under this Agreement, including without limitation to the Supplier's warranty obligations and Supplier's obligations to pay ISR any Liquidated Damages if applicable, Supplier shall furnish ISR within ten (10) days of the Effective Date, with an irrevocable autonomous bank guarantee to be paid upon first written demand without the need to prove or substantiate the demand from a first class bank, approved in advance by ISR, in the full amount of ten (10) percent of the full Consideration issued in the form attached hereto as *Annex E* (the "**Performance and Warranty Guarantee**").
- 16.2. The Performance and Warranty Guarantee shall remain in full force and effect until sixty (60) days following the end of the Warranty Period.
- 16.3. The extension of the Performance and Warranty Guarantee shall be at the Supplier's sole responsibility. In the event the required extension is not submitted to ISR at least thirty (30) days prior to the expiry date of the existing guarantee, ISR shall be entitled to exercise such guarantee.

16.4. Without derogating from the above, the submission of the Performance and Warranty Guarantee shall be a pre-condition to effecting any payments due to the Supplier under this Agreement.

17. LIABILITY

17.1. Notwithstanding anything contained herein to the contrary, Supplier agrees to indemnify and hold harmless ISR and its directors, officers, and employees from and against all taxes, losses, damages (including direct, indirect or consequential damages) or loss to property of either ISR or third parties, or injuries to or death of persons, including employees of ISR and third parties, of whatever kind caused by, arising out of, incidental to, or connected with the Services, liabilities, costs and expenses, including attorney's fees and other legal expenses, arising directly or indirectly from (i) any negligent, reckless or intentionally wrongful act of Supplier or Supplier's assistants, employees or agents, (ii) a determination by a court that the Supplier is not an independent contractor, or (iii) any breach by the Supplier or Supplier's assistants, employees or agents of any of the covenants contained in this Agreement. Such responsibility shall include court costs and attorneys' fees, if any, in proportion to the Supplier's share of the liability.

17.2. In the event that a competent court has determined that the Supplier is not an independent Contractor as aforesaid in Section ~~17.1+5.1~~, the Supplier agrees and acknowledges that were the Supplier to have been engaged as an employee of the ISR, the monthly salary that would have been payable to the Supplier would have been based on only forty percent (40%) of the daily fee (excluding VAT) multiplied by the number of hours worked per month and this salary would have been the basis for calculating any statutory social benefits due to the employee.

Field Code Changed

17.3. Should ISR be charged by a court of law to pay any amount to a third party for damages or loss for which the Supplier is responsible, as stated herein, the Supplier shall either reimburse ISR or fully compensate the third party directly, at ISR's option, for any amount which ISR or the Supplier shall be obliged to pay by a court of law as aforesaid, including all the loss and expenses incurred by ISR in that respect. The amount of any such reimbursement shall be regarded as a debt due from the Supplier to ISR under this Agreement. In the event of such a claim being lodged against ISR as aforesaid, ISR shall inform the Supplier about it in writing within a reasonable time thereafter.

17.4. ISR does not assume any liability to third persons, nor will ISR reimburse the Supplier for its liability to third persons (including but not limited to the Supplier's sub-suppliers, agents, employees and representatives), with respect to loss or damage due to death, bodily, mental or emotional injury or damage to property resulting in any way from the performance of the Services under this Agreement or any subcontract hereunder, and the Supplier alone shall bear the responsibility in any such case.

17.5. Supplier's total monetary liability towards ISR arising out of or in connection with this Agreement (whether from provisions of the Agreement or of any Applicable Law) shall be limited to 100% of the Agreement value. In the event that the Supplier's total liability sum as per the above has been fully recovered (whether in one or several events), ISR, at its discretion, shall have the right (in addition to and without derogating from its rights pursuant to the provisions of this Agreement) to terminate this Agreement subject to a fourteen (14) days advance written notice to Supplier. In the event of termination of this Agreement due to Supplier's breach, the limits of liability of the Supplier under this Section shall be capped not to exceed 150% (one hundred and fifty percent) of the Agreement value.

17.6. Notwithstanding the foregoing, the liability of the Supplier towards ISR in connection to this Agreement as described above shall not be limited to the maximum liabilities as provided above solely in the following circumstances:

17.6.1. Any liability in respect of personal injury and death, including monetary damages directly incurred as a result of such injury or death;

17.6.2. Any liability arising out of fraud, willful misconduct and gross negligence;

17.6.3. any liability in respect of loss or damage of any third party, including monetary damages directly incurred as a result of such loss or damage.

18. **Withholding of Payments and Collection on Guarantees.**

Without derogating from any other rights of ISR under any applicable law and/or agreement, in the event that any claim is made against ISR, or any lien or attachment is affixed against any of its properties, which claim, lien or attachment relates to or is based on circumstances and/or events which fall within the responsibilities and/or indemnification obligations of Supplier as per Section 17 above, then unless Supplier provides adequate security, to ISR's satisfaction, that the claim will be covered, ISR may (i) withhold all payments then due or thereafter becoming due to Supplier, until such claim is satisfied and such liens or attachments released, and (ii) settle the matter by paying any such claim or removing such lien or attachment, and recover any amounts required in order to do so by collecting upon any of the applicable Guarantees.

19. **INSURANCE**

19.1. Without derogating from any of the Supplier's responsibilities and liabilities under this Agreement and/or under the Applicable Law, the Supplier shall maintain, at its own expense through a reputable and legally licensed, at all times for as long as any liability under this Agreement may exist, insurance policies as following (hereinafter: "**Supplier's Insurance Policies**"):

19.1.1. **Property Insurance** covering any loss or damage to the R350HT Rails arising out of, or caused by any risk while in the Supplier's care, custody or control. The sum insured under the said policy shall reflect the full replacement value of the completed manufactured R350HT Rails and the Spare Parts. The policy shall include a waiver of subrogation towards ISR and/or the Israeli Government and/or the IPM and/or anyone acting on their behalf, provided that the waiver of subrogation shall not apply in favor of a person who has maliciously caused the damage. The Supplier undertakes, that a clause stating that in respect of loss or damage to the R350HT Rails, the insurance benefits shall be paid to the ISR and the Supplier as their interests may appear, and that ISR is included as loss payee under policy.

19.1.2. **Marine "All Risk" Insurance** against any loss or damage to the R350HT Rails and the Spare Parts, arising out of, in course of, or caused by any risk in respect of the transport of the R350HT Rails and the Spare Parts.

The policy shall apply from the time of moving the R350HT Rails and the Spare Parts from the Supplier' warehouses / premises until arrival within the Site and vice versa, including loading and unloading, temporary and extended storage and all domestic inland and/or intermediate transits everywhere in the world (including within Israel) irrespective of the terms of sale.

Settlement of claims will be made at 110% of the R350HT Rails and the Spare Parts DAP value. The Supplier undertakes, that a clause stating that in respect of loss or damage to the R350HT Rails, the insurance benefits shall be paid to the ISR and the Supplier as their interests may appear, and that ISR is included as loss payee under policy.

The policy shall include a waiver of subrogation towards ISR and/or the Israeli Government and/or the IPM and/or anyone acting on their behalf, provided that the waiver of subrogation shall not apply in favor of a person who has maliciously caused the damage.

19.1.3. **A worldwide Third Party Liability Insurance**, in the joint names of ISR and the Supplier subject to a "Cross Liability" clause, with a limit of liability not less than €5,000,000 per occurrence and in the aggregate for an annual period of insurance, covering any liability (including Product Liability) of the Supplier for any loss or damage derived from the execution of this Agreement and/or from any act or omission of Supplier and/or whoever act on its behalf.

19.1.4. The Supplier's Insurance Policies shall be primary and precedent to any of ISR and/or the Israeli Government's insurances and/or the

IPM, and the Supplier's insurers shall waive their rights of contribution from any of ISR and/or the Israeli Government and/or the IPM's insurers with respect to any damage covered under the Supplier's Insurance Policies.

- 19.1.5. The Supplier shall refrain from cancelling the Supplier's Insurance Policies and/or from reducing their scope. The Supplier further undertakes to notify ISR of any situation of cancellation and/or reducing the scope of any of the Supplier's Insurance Policies, sixty (60) days before the date of occurrence of such situation.
 - 19.1.6. The Supplier represents and warrants that it shall not have any claims, demands and/or actions against ISR and/or the Israeli Government and/or the IPM and/or anyone acting on their behalf, concerning damage to its property or other property used by the Supplier and/or those acting on its behalf in connection with this Agreement. The foregoing shall not apply for the benefit of anyone who caused damage with malicious intent.
 - 19.1.7. The Supplier waives and shall have no claims or demands of any kind against ISR and/or anyone on its behalf, with respect to the content and/or extent and/or coverage of the Supplier's Insurance Policies, and the Supplier hereby confirms that it shall be prevented from raising any such claim or demand in this regard. For the avoidance of doubt, it is agreed that the Supplier's Insurance Policies, including the limits specified herein, are stated as a minimal demand imposed on the Supplier which does not exempt the Supplier from any liability in accordance with this agreement and/or the Applicable Law. The Supplier is encouraged to further scrutinize its exposure to liability and to add and/or increase the types and scope of insurance coverage.
 - 19.1.8. The Supplier undertakes to indemnify ISR and/or the Israeli Government for any amount incurred by ISR and/or the Israeli Government as a result of a violation by the Supplier and/or any person or entity acting on its behalf of any of the conditions of the Supplier's Insurance Policies.
- 19.2. The Supplier alone is responsible for payment of premiums and deductibles stated in the Supplier's Insurance Policies. These amounts can be offset by ISR from any amount due to the Supplier in accordance with this Agreement.
 - 19.3. The Supplier is required to notify ISR immediately of any event which is likely to give rise to a claim under the Supplier's Insurance Policies, as well as to cooperate with ISR as required in order to obtain settlement of any insurance claim under the Supplier's Insurance Policies.

19.4. It is clarified and agreed that insurance payments shall not derogate from the Supplier's liability under the Agreement and/or under the Applicable Law, and should the insurance payments not be sufficient in order to cover the extent of the loss and/or the damage actually caused, the Supplier shall be responsible for completing such.

19.5. If, during the Supplier's Insurance Policies period, any changes occur to the value of the R350HT Rails, for any reason, the Contractor is required to immediately update the sum insured under the Property Insurance Marine "All Risk" Insurance as stated in clauses 17.1.1 and 17.1.2 above.

19.6. As a precedent condition precedent to the first payment under this Agreement, Supplier shall furnish a signed certificate from its insurers stating

"The insurance policies required by Agreement No _____ between ISR and the Supplier are in full force and effect. We hereby confirm that the right to receive indemnity payments under the Property and Marine "All Risk" insurances stated in clauses 17.1.1 and 17.1.2 of the Agreement is reserved solely to ISR and this by irrevocable designation. Additionally, the policy contains a "Loss Payee" clause on behalf of ISR".

19.7. Without derogating from the duty to provide the insurance certificate as detailed in section 17.11 above, The Supplier undertakes to provide ISR with a copy of all of its insurance policies within fourteen (14) days of ISR's first request.

19.8. The Supplier represents and warrants that it shall not have any claims, demands and/or actions against ISR and/or anyone on its behalf and/or the Israeli Government, concerning damage to its property or other property used in connection with this Agreement. The foregoing shall not apply for the benefit of anyone who caused damage with malicious intent.

20. **INTELLECTUAL PROPERTY RIGHTS**

20.1. **Intellectual Property Rights Warranty.** Supplier represents and warrants that it is the owner of all rights and title (including but without limitation Intellectual Property Rights, as defined below) in and to the R350HT Rails, as well as in any Works and any component thereof (including, without limitation, systems, parts, software incorporated in the R350HT Rails or integrated with them), and documentation provided to ISR under this Agreement and the Technical Specification and/or that it has obtained sufficient rights and that it is authorized to offer and sub-license to ISR any such R350HT Rails, Works or documentation and/or any part thereof and/or Software, by the relevant third parties who developed and/or own and/or hold the Intellectual Property Rights thereof, and that ISR may use same in accordance with the terms and conditions of this Agreement, including the operation and maintenance of the R350HT Rails and for the purpose of interface with other ISR's equipment (whether existing now or in the future).

Formatted

20.2. **Non Infringement Warranty.** Supplier represents and warrants that the R350HT Rails, Works and/or Software and documentation, and their use by ISR in accordance with this Agreement (i) do not and will not infringe any patents, copyrights, whether or not registered, trade names, registered and unregistered trademarks, service marks, trade dress, domain name registrations and other source indicators; computer software, including databases; trade secrets, commercial secrets, inventions (whether or not patentable and whether or not reduced to practice), know-how, methodologies, or other intellectual property right of any person ("**Intellectual Property Rights**"), and (ii) no claim, action or suit for the misappropriation or infringement of any Intellectual Property Right has been brought or is pending or, to the best of its knowledge, threatened against Supplier and/or any third party from which Supplier has obtained such Intellectual Property Rights in connection with the R350HT Rails, Works or documentation provided under this Agreement.

20.3. **Responsibility of Supplier.** Supplier shall be solely and fully liable and responsible for the use of, and shall fully and timely pay all royalties, fees and other payments with respect to, all Intellectual Property Rights, licenses and rights of whatever type, manufactured, used, implemented or employed in the design, production, completion, use or operation of the R350HT Rails and Works and/or Software and documentation by Supplier or ISR.

21. TERMINATION

21.1. This Agreement may be terminated by ISR at its sole and absolute discretion at any time, whether before or after commencement of the Works, by giving Supplier prior written notice of at least fourteen (14) days, if any of the following occurs:

21.1.1. The Supplier assigns or transfers any of its rights or obligations pursuant to this Agreement without the prior written approval of ISR.

- 21.1.2. The Supplier becomes bankrupt, insolvent, or does not pay its debts as they become due, or admits in writing its inability to pay its debts or makes assignment for the benefit of creditors, or liquidation, receiverships, or reorganization proceedings (whether temporary or not) have been commenced against Supplier and have not been removed within twenty one (21) days.
- 21.1.3. An attachment order has been imposed and/or any other execution process has been taken with respect to all or a material part of Supplier's assets, or a part thereof which is material for the performance of any of its obligations hereunder and has not been removed within thirty (30) days.
- 21.1.4. Supplier has stopped managing its business (or substantial portion thereof) or execution of the Works, for a consecutive period of thirty (30) days.
- 21.1.5. Any representation or warranty made by Supplier in this Agreement and/or any certificate, schedule or other document delivered by Supplier pursuant to this Agreement has been false or materially misleading when made.
- 21.1.6. Supplier breaches any material provision of this Agreement and fails to cure such breach within twenty (20) days from the date of ISR's notice.
- 21.1.7. Supplier breaches any provision of this Agreement and fails to cure such breach within thirty (30) days from the date of ISR's notice.
- 21.2. **Restitution of Payments.** Without prejudice to any other remedies available to ISR under any agreement and/or under any applicable law, in the event that ISR exercises its right to terminate this Agreement for any of the reasons set forth in Section ~~19.1~~~~21.1~~, then within thirty (30) days from notification by ISR that it has rescinded or terminated this Agreement, prior to the issuance of Final Acceptance Certificate, Supplier shall return to ISR all payments it has received from ISR in respect of all terminated Works.
- 21.3. **Termination for Convenience.** In addition to, and without derogating from any other right that ISR may have to terminate this Agreement, including but without limitation pursuant to any other provision of this Section and/or to any applicable law, ISR shall have the right to terminate this Agreement at will, without cause and at ISR's sole and absolute discretion, by thirty (30) days prior written notice to Supplier.
- 21.4. Supplier hereby waives the right to termination under this Agreement and/or under law, for any reason. The sole and only remedy available to Supplier under this Agreement is compensation for breach subject to the terms of this Agreement.
- 21.5. **Effect of Termination**

21.5.1. Subject to Sections ~~1921~~.5.4 and ~~1921~~.5.5 below, termination of this Agreement will not limit either Party from pursuing any other remedies available to it under any agreement and/or applicable law, and termination or expiration of this Agreement, from whatever cause arising, shall be without prejudice to the rights of the Parties accrued under this Agreement up to the time of termination.

21.5.2. The provisions of this Agreement which expressly or by their nature are required to survive termination of this Agreement (including but without limitation provisions regarding Warranty, Intellectual Property and Liability) shall survive the expiration or termination of this Agreement.

21.5.3. Upon receipt of any termination notice, Supplier shall, take all required steps and actions to:

- (i) Cease all Works according to the IPM's instructions; and
- (ii) Transfer to ISR all its rights under all warranties extended by its suppliers.

21.5.4. Payment to Supplier (if and to the extent that Supplier shall be entitled thereto) shall constitute the sole and exclusive remedy (monetary or otherwise) to Supplier in connection with the Agreement and/or the cancellation and/or the termination thereof, and Supplier shall not be entitled to any other payment or recourse for loss of profits or to any other remedy that might be available to it under applicable law and/or agreement (including but without limitation specific performance and/or injunctive relief) in the event of termination of this Agreement pursuant to this Section.

21.5.5. No damages or other recourses whatsoever (including but without limitation enforcement of this Agreement) shall be due to Supplier, by reason of any termination of this Agreement in accordance with its terms. In particular, but without limitation, Supplier shall not be entitled to any compensation, reimbursement or damage of any kind for any unjust enrichment or tort claim, if any, resulting from the termination of this Agreement as aforesaid and/or on account of loss of prospective profits or investments and/or loss of goodwill or any other causes.

22. SUBCONTRACTORS

22.1. The Supplier may not engage subcontractor ("**Subcontractor**") for the performance of any of its obligations under this Agreement without the prior written consent of ISR.

22.2. Without derogating from the above, engaging a sub-contractor shall be subject to the following terms and conditions:

22.2.1. The Subcontractor must meet the terms and the conditions set out in the Technical Specifications.

22.2.2. Subcontractor shall abide by all applicable obligations under the Agreement which are required by it for the fulfillment of the Agreement, such as, but not limited to, obligations with regards to the Declarations and Representations, General Obligations, Intellectual Property, Warranty, Risks and Liabilities, Delivery Terms, Termination etc.

22.2.3. In the event that the Subcontractor shall fail to comply with this Agreement, ISR shall have the right to rescind its approval (with respect to Subcontractor) and/or to instruct Supplier to perform the relevant Works by itself or through another approved subcontractor, whereupon Supplier shall immediately stop employing the non-complying subcontractor.

22.2.4. The retention of the subcontractors, shall not relieve Supplier of its responsibility to ISR in connection with the execution of the Works, the supply of the R350HT Rails and the fulfillment of the obligations under the Agreement or from any liability under this Agreement and under applicable law, nor shall it impose any liability or responsibility upon ISR in connection with the aforesaid, including but without limitation for any acts and omissions done and/or works executed by Subcontractors, and Supplier shall be fully responsible towards ISR for the acts and omissions of its subcontractors.

23. **FORCE MAJEURE**

23.1. “**Force Majeure**” shall mean an event outside the control and without fault or negligence of the Party effected, which constitutes exceptional and unforeseeable circumstances which, despite the exercise of diligent efforts, such Party was unable to prevent, limit or minimize, and which makes it impossible or illegal for such Party to perform its obligations under this Agreement, including but not limited to fires, floods, accidents, earthquakes, volcanic activity, hurricanes, riots, wars embargoes, strikes (other than strikes by the employees of Supplier or employees of Supplier's subcontractors).

23.2. Neither Party shall be liable for a delay in performance of its obligations pursuant to the Agreement, to the extent that such delay results from Force Majeure.

23.3. A Party affected by Force Majeure shall (a) promptly notify the other Party in writing of any such event, the expected duration thereof, and its anticipated effect on the party affected in terms of the performance required hereunder; and (b) endeavor to continue to perform its obligations as far as reasonably practicable and make reasonable efforts to mitigate the effects of the Force Majeure.

23.4. Any Works or supply delayed due to an event of Force Majeure shall be extended for such time as the event transpired without entitlement to receive further or additional payment on top of the Consideration, including with regard to linkage payments.

24. LANGUAGE

Any correspondence with regard to this Agreement shall be in English. All correspondence, orders, documentation, drawings, specifications, instructions, manuals etc. made by the Parties in performance of this Agreement will be in English or Hebrew.

25. APPLICABLE LAW AND SETTLEMENT OF DISPUTES

25.1. This Agreement shall, in all respects, be governed by and construed in accordance with the laws in force from time to time in the State of Israel.

25.2. The Uniform Law on International Sales (1964) and the United Nations (Vienna) Convention Contracts for the International Sale of Goods of April 11, 1980 shall not be applicable to this Agreement.

25.3. Any dispute in connection with the Agreement including its validity or interpretation shall be settled between the Parties. The negotiations shall be conducted by at least two persons chosen by each party for this purpose. The timeframe for the settlements of disputes between the Parties shall not exceed a period of three (3) months.

25.4. All matters in dispute, following failure of negotiations as outlined above, shall be referred to the competent court located in Lod in Israel which shall have exclusive jurisdiction in all matters arising therefrom unless otherwise mutually and expressly agreed, in writing, by the Parties.

25.5. Dispute not Effecting Performance. Under no circumstances will the Supplier be entitled to delay or suspend the performance of any of its obligations hereunder, including by way of applying for an injunctive order.

26. MISCELLANEOUS

- 26.1. **Waiver of Lien by Supplier.** Supplier hereby waives any right of lien and claim and preservation of ownership (in Hebrew: "שימור בעלות") (collectively, "**Retention Rights**") against ISR with regard to the R350HT Rails and the Works. Supplier represents and warrants that the consideration to be paid by ISR under this Agreement includes ample financial provisions concerning the waiver by Supplier of all Retention Rights with regard to the Works, and the payments to be made by Supplier to its Subcontractors contain ample financial provisions for the insertion of a clause requiring a similar waiver by said Subcontractor in connection with the Works.
- 26.2. **Set-Off** Without derogating from any right of set-off conferred upon ISR elsewhere in this Agreement or under applicable law, ISR shall have the right to set-off against any amounts owed to it pursuant to this Agreement against any amount payable by ISR to Supplier pursuant to this Agreement. Supplier shall not be entitled to set-off amounts owed to it by ISR against any amount payable by Supplier to ISR and Supplier hereby waives any such right.
- 26.3. **Exercise or Non Exercise of Rights by the Parties.** Consent by a Party to deviate from any of the provisions of this Agreement in a particular case shall not constitute a precedent, and no inference by analogy shall be drawn from it in respect of any other case. If a Party does not exercise any of the rights conferred upon it by this Agreement or any guarantee arising hereunder in a particular instance, such fact shall not be regarded as a waiver of those rights in any other instance and shall not be considered as implying or indicating a waiver of any right under this Agreement.
- 26.4. **Entire Agreement; Amendments.** This Agreement constitutes the entire agreement between the Parties concerning the subject matter hereof, superseding all prior and contemporaneous drafts (including drafts of the Agreement that formed part of the Tender), proposals, negotiations, communications, documents, understandings and agreements, written or oral, with respect to the subject matter of this Agreement, unless specifically incorporated herein by reference. Any such superseded documents shall not be used in any manner for the interpretation of this Agreement and shall not constitute admissible evidence in any proceedings between the parties. This Agreement may only be amended by a written document signed by both Parties.
- 26.5. **No Third-Party Beneficiaries.** All rights and obligations of the Parties hereunder are personal to them. This Agreement is not intended to benefit, nor shall it be deemed to give rise to, any rights to any third party (including, without limitation any Subcontractor).

- 26.6. **Assignment.** The Supplier may not assign or transfer any of its rights and obligations pursuant to this Agreement without the prior written consent of ISR. The Supplier may not charge or create any security interest with respect to its rights pursuant to this Agreement without the prior written consent of ISR. ISR may at any time, upon its absolute discretion, assign and/or transfer any and/or all of its rights and/or obligations under this Agreement to the State of Israel and/or any other entity controlled and/or affiliated to the State of Israel ("**State of Israel**") by providing written notice to Supplier ("**Notice of Assignment**"). Upon receipt of Notice of Assignment by Supplier, the assignment and/or the transfer shall be binding and Supplier may not object such assignment and/or transfer and shall fulfill any and all obligations resulting from such assignment and/or the transfer as directed by ISR and/or the State of Israel, which in turn may also assign and/or transfer their rights.
- 26.7. **Severability.** If any provision of this Agreement is held or made invalid or unenforceable for any reason, such invalidity or unenforceability shall not affect the remainder of this Agreement, and the invalid or unenforceable provisions shall be replaced by a mutually acceptable provision, which, being valid, legal and enforceable, comes closest to the original intentions of the parties hereto and has like economic effect.
- 26.8. **Notices.** All notices, unless otherwise expressly provided in this Agreement, shall be in writing and shall be sent by either of the Parties to the other Party by registered mail or personal delivery to the addresses set forth at the head of this Agreement, and shall be deemed to have been given seven (7) Business Days after the date on which the notice was posted, or in the case of personal delivery, at the time of delivery.

IN WITNESS WHEREOF, THE PARTIES HAVE EXECUTED THIS AGREEMENT BY THEIR DULY AUTHORIZED REPRESENTATIVES AS OF THE EFFECTIVE DATE.

Form of Performance and Warranty Guarantee

Israel Railways
Haifa East Station
1 Hativat Golani Street
P.O. Box 1481
Haifa, Israel

Re: Guarantee No. _____ (“Performance and Warranty Guarantee”)

Whereas _____ (“**Supplier**”) and Israel Railways Ltd. (“**ISR**”) entered into an Agreement No. _____ on _____ (the “**Agreement**”) for the supply of Rails (the “**Goods**”):

Now, we _____ (“**Guarantor**”) hereby irrevocably Guarantee the immediate payment, on first demand, to ISR of the sum of _____ Euro in the event that Supplier has not fully complied with all of its obligations under the Agreement, including its warranty obligations.

This Guarantee shall be valid and remain in force for a period of two (2) months following the end of the Warranty Period for the last Goods supplied under this Agreement, as those terms are defined in the Agreement, or as otherwise extended in writing by ISR, Supplier and Guarantor, and may be drawn down by ISR on one or more occasions up to the aggregate amount referred to above. This Guarantee shall not be revocable by Guarantor or Supplier by notice or otherwise.

For collecting any amount under this Guarantee, ISR shall not have to refer first to Supplier, nor shall it have to produce any judgment or any other judicial document, nor shall it have to prove any breach, failure or non-compliance on the part of Supplier or on the part of any person acting for Supplier or on its behalf or in its name, and a written demand or facsimile notice to Guarantor from an authorized representative of ISR shall be sufficient for all purposes of this Guarantee, and specifically shall be sufficient to collect any sum(s) under this Guarantee from the Guarantor immediately upon the demand of ISR.

This Guarantee shall be interpreted in accordance with the laws of the Israel, and any proceedings for enforcement shall be brought exclusively before the competent Court of Lod.
