Re: **NOTICE #5 TO PARTICIPANTS**
TENDER NO. 41808

This notice (the “**Notice**”) is being furnished to Bidders in accordance with the provisions of Section 22.4 of the General Terms and Conditions of the Tender Documents.

Capitalized words and terms used herein and not otherwise defined shall have the same meaning ascribed to them in the Tender Documents.

Explanatory Note

For the removal of doubt, with respect to any question or request not specifically addressed in this Notice, the Tender Documents remain unchanged and fully binding. It is hereby further clarified that throughout the Tender Process, ISR shall only be bound by information submitted by ISR in writing, and no oral or other non-written response or information will bind ISR for any purpose whatsoever.

Clarifications

I. Technical Specifications

1. Question: With regard to Section 7.1.1, ISR has been requested to amend this section and reduce the power of the alternator for electric power of 24 (VDC) - with at least 100 [A].

Answer: ISR has reviewed the request and decided to reject it.

2. Question: ISR has been requested to provide an Amended Technical Specification and to include Table 2 in the Annex A.

Answer: Please see amended Technical Specifications E-03-0005.2 section 1.9.

3. Question: With regard to Section 6.10.1 (sub-section 5), ISR has been requested to amend this section.

Answer: Please see amended Technical Specifications E-03-0005.2 section 6.10.1.

II. General Terms and Conditions of the Tender Documents

1. Question: ISR has been requested to postpone the Final Submission Date.

Answer: ISR has reviewed the request and decided to accept it. The Final Submission Date referred to in Section 14 of the General Terms is hereby postponed to **July 30, 2019 at 13:00** (Israel time).

Please see the **amended documents as appear on ISR’s website** for further information.
