If a Party does not exercise any of the rights conferred upon it by this Agreement or any Guarantee arising hereunder in a particular instance, such fact shall not be regarded as a waiver of those rights in any other instance and shall not be considered as implying or indicating a waiver of any right under this Agreement.
- 23.4 **Entire Agreement; Amendments.** This Agreement constitutes the entire agreement between the Parties concerning the subject matter hereof, superseding all prior and contemporaneous drafts (including drafts of the agreement that formed part of the Tender), proposals, negotiations, communications, documents, understandings and agreements, written or oral, with respect to the subject matter of this Agreement, unless specifically incorporated herein by reference. Upon receipt of Notice of Assignment by the Supplier, the assignment and/or the transfer shall

be binding and the Supplier may not object such assignment and/or transfer and shall fulfill any and all obligations resulting from such assignment and/or the transfer as directed by ISR and/or the State of Israel. Without derogating from the above, the State of Israel may reassign and/or retransfer, upon its absolute discretion and at any time, all of its rights and obligations back to ISR by providing written notice to the Supplier and such reassign and/or retransfer shall be binding and the Supplier may not object such reassignment and/or the retransfer and shall fulfill all obligations resulting from such reassignment and/or the retransfer as directed by ISR and/or the State of Israel. The Supplier hereby waives any and all claims and/or demand against ISR and/or State of Israel resulting from the implementation of this Section by ISR and/or the State of Israel.

- 23.7 **Severability.** If any provision of this Agreement is held or made invalid or unenforceable for any reason, such invalidity or unenforceability shall not affect the remainder of this Agreement, and the invalid or unenforceable provisions shall be replaced by a mutually acceptable provision, which, being valid, legal and enforceable, comes closest to the original intentions of the Parties hereto and has like economic effect.
- 23.8 **Notices.** All notices, unless otherwise expressly provided in this Agreement, shall be in writing and shall be sent by either of the Parties to the other Party by registered mail or personal delivery to the addresses set forth at the head of this Agreement, and shall be deemed to have been given seven (7) Business Days after the date on which the notice was posted, or in the case of personal delivery, at the time of delivery.
